Homesites & move-in ready homes are now available for selection in the upscale lake community - NorthShore at Lake Redwine! A beautiful neighborhood of custom homes awaits the most discerning buyer.

Custom homes start in the upper \$400's. Several new spec homes are currently under construction in various stages of finish in this well-received neighborhood. (See Available Homes Sheet) Additional lots are available for construction of a custom home of the buyer's choice. Gorgeous, big-water view lake front & off-water homesites are available.

NorthShore at Lake Redwine has the use of the pristine 300+ acre lake. The new 24-slip marina is available for NorthShore off-water homeowners. The new slips will be leased on a first-come, first-served basis for an additional fee. In addition, NorthShore has a wonderful, new amenity area which includes a fabulous pool, lighted tennis & pickleball courts, playground, large pavilion with outdoor fireplace and a "grand lawn" area for family movie screenings and other homeowner uses.
